# Workshop: Pre-course Q&A

AI Dev Tools Zoomcamp 2026 Pre-Course  
Live Q&A | August 24, 2026

# What this covers

A clear picture of AI Dev Tools Zoomcamp before the cohort starts.

# Why it matters

Before joining a cohort, it helps to know the workload, prerequisites, project expectations, and how to get unstuck.

# Main workflow

Who the course is for and what you need before joining. What you do not need: prior AI tools experience, web development experience, a powerful machine, or a GPU.

# **What you will leave with**

How to prepare your environment and choose a first workflow.

# Register for the workshop
