Workshop: Course launch

AI Dev Tools Zoomcamp 2026 Course Launch
| August 31, 2026

What this covers

How the AI Dev Tools Zoomcamp 2026 cohort works and how to start with a clear workflow.

Why it matters

The new cohort starts with the same question many developers have: how do we use AI tools without losing control of the code we ship?

Main workflow

What changed in AI Dev Tools Zoomcamp 2026.
How the four modules fit together.

What you will leave with

What to expect from the final project.
